

Mass vs. Weight Dinner Menu

Appetizer:

Go to the website and write your mass and weight on different planets (in your notebook). Look under useful links on Mrs. Schneider's/Ms. Rathjen's classroom websites.

Entrée:

Communicate your understanding of how your weight changes and your mass stays the same depending on where you are in the solar system. **Pick one!**

1. Draw a picture (neat, no stick figures, with color, no scribbles) on a white computer paper.
2. Explain in a paragraph (5 to 8 sentences). Use proper grammar, on a separate piece of paper.
3. Write a creative short story that demonstrates your understanding. At least one page, on a separate piece of paper.

Dessert:

Share your ideas with the class the next day.
